"Always Yours"

James J. Metcalfe

I should have told you long ago --- How much
you mean to me --- That you have been my
only one --- In all my memory --- But now
I know it is too late --- For me to plead my case ---
For I am sure that someone else --- Has
stepped into my place --- And so I turn my
thoughts to God --- And ask that He will bless
your life & his forevermore --- With health and
happiness --- Although if any chance
exists That I may still be wrong --- I
hope you will remember me --- In every parting
song If now you ever need me in --- The
smallest way at all --- You may be sure that
I am yours --- At every beck and call.

"I wish you well"

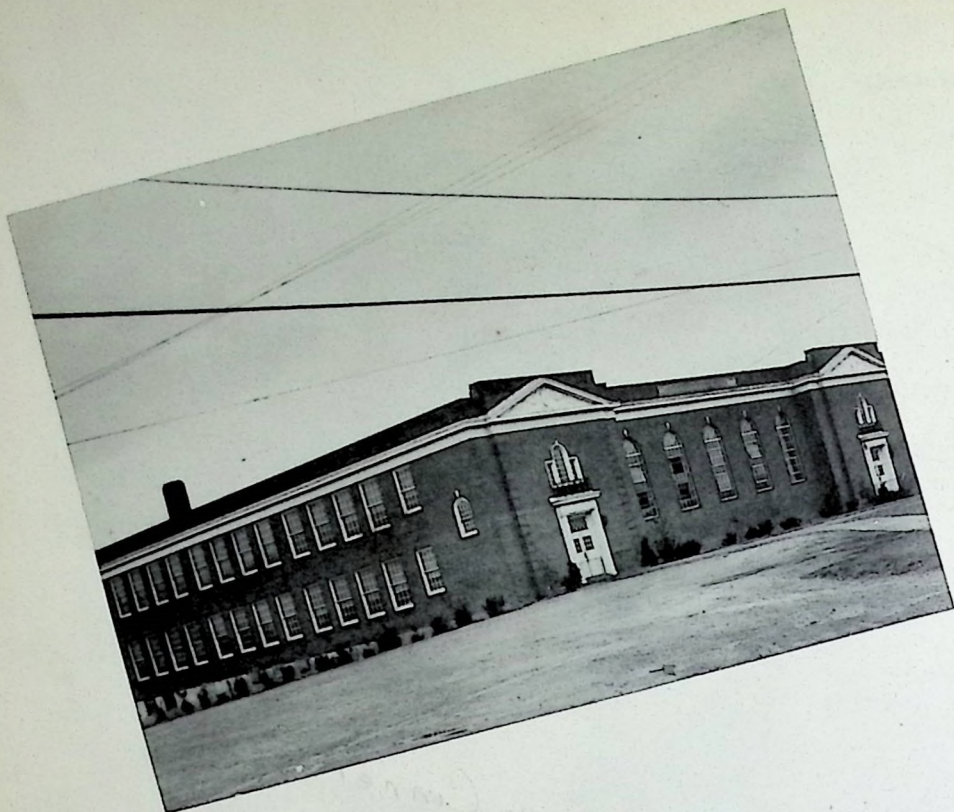

James J. Metcalfe

I always wish you well, my friend --- Where
ever you may be --- Because each day in
every way --- You mean so much to me --- I
may not see you for a while --- Or know just
where you are --- But you are in my fondest
thoughts --- However near or far --- Your faithfulness
and kindness gives --- That inspiration true
to live the hrs of each day --- A little more
like you --- I thank you most sincerely and --- I
hope the prayers I say --- will do at least a
little good --- to help you on your way --- How
ever seldom we may meet --- with little time
to spend --- I think of you each moment ---
I wish you well, my friend

*Elkhorn High School
Frankfort, Kentucky*

As you turn the pages of this book, our school history for 1955-1956, may each picture and each word recall to you some happy, symbolic event of your high school life, an event which you might otherwise forget. And as this recollection comes may you realize the full significance as well as the importance of those happy days. Then may you realize again that school was a happy place where we were carefree, joyous boys and girls.

In our hearts will be the thought--we love you, Elkhorn School. Then we will wish that we might return to be a joyous youth once again as we join in memory with our fellow classmates and with our teachers who guided us and directed us in a straight course of life.

In presenting this book to you, if such recollection comes, our purpose in editing it has not been in vain.

Dedication

Having made these four years a little more wonderful by her never ending patience, her ever contagious laughter, her deep understanding, her Christian example, and her interest in all our problems and activities are but a few of the numerous reasons why we, the senior class, proudly dedicate our 1956 Elk to Mrs. Ann Payne.

Charles Terry, Attendance Officer

An interest in everything connected with Elkhorn; the ability that has helped to make Elkhorn the school it is today; a sincere love for high school students; a deep concern for every student activity; an office where anyone can bring his problems -- these are the things that make Ronald Connelly, Principal, the respected man he is -- a man who will long be remembered by us all.

Lorena, you are a fine girl. We wish you a lot of luck throughout life.
Ronald Connelly

Leadership in everything from her teaching to her job as assistant principal; the honor she has brought to Elkhorn by just being a part of it; and her reverent, wise advice to all who ask, these are the simple truths that make it such a pleasure to have known Miss Lula Hearn.

Yea Maroon! Yea Gold!

Senior Lettermen

Wayne Wylie - Senior. Played halfback, co-captain 1954-1956, lettered four years at four different positions. Wayne is a big boy with a lot of speed and was one of the best backs our school has had.

Dickie Hulette - Senior. Played fullback, co-captain 1955, lettered three years. Dickie was a good leader and was one of the best defensive men we have ever had. He was a wonderful boy to work with.

Donald Ray Tyson - Senior. Played halfback, lettered two years. He was one of the most dangerous men on the squad. He had terrific speed on offensive and was an excellent defensive man.

Glenn Dempsey - Senior. Played halfback, lettered one year. He was an excellent runner.

Billy Pat Britton - Senior. Played defensive halfback and for one years experience did a wonderful job. Lettered one year.

Jimmy Ellis - Senior. Played end, lettered two years. He was one of the best defensive ends we have had and was a wonderful pass receiver.

Donald Sturgeon - Senior. Played end, lettered two years. Donald was an outstanding offensive blocker.

John Switzer - Senior. Played center, lettered one year. John did an outstanding job and with a little experience would have been great.

Gerald Anderson - Senior. Lettered two years, played tackle. He was one of the best offensive blockers the school has had.

Robert Hutcherson - Sophomore. Plays guard, lettered one year. A very good prospect, will probably be moved to end this year.

Billy Cox - Sophomore. Lettered two years. He weighs 130 pounds and is one of the most outstanding players we have had. We are looking forward to two more good years.

Larry Salchli - Sophomore. Played guard, lettered two years. He will probably be moved to halfback next year. One of the best competitive players the school has ever had.

To Sorena,

I sure have enjoyed all the good
ol' times we have had. I will
never forget the long walk at
Richmond. with you! Lots of
luck to you, Sorena in every-
thing you do and lots of luck
with you and ? ? (Sorena)

Love you.

Betty Jo Antioch

To Sorena:

First of all excuse this terrible
writing, but on second thought
you can always remember me
by this writing.

Sorena, I can't put into
words the way I want too. what
I think of you and all the good ol'
times we have had together.

of all the fun we have had
I don't guess I will ever forget
the Mammoth Cave Trip. Do you
remember the "great relief hall?"
and, also how Mrs. Colvin's eyes
got so big when she saw
that I was laying on the bathroom

floor.

I don't think I will ever forget the night coming back from Conny Island. Do you? Do you remember the scene we saw sitting in front of us? Ha Ha And of course the night coming from Mount Cave? What a laugh. Remember when we were all singing and Mr. Taylor joined in too. I don't think we've ^{ever} had any teacher we have liked any better.

My hand is getting worse & worse and is almost the worst. "Yard" that is. Ha Ha

I know you'll never forget the walk at Richmond and I won't either.

Remember when I had a big big ~~shoe~~ crush on h. p. and, of course the one I have on I, us, o.

god what slang
I don't reckon, we will ever forget the good 'ol days we have spent at E.H.S. and neither will the teachers especially Miss Hazel Arnold I know she won't because we were so bad.

I guess this just about sums
it all up. Except I want ^{you} to
have all the happiness in the
world, especially with you
know who. 6

I wish you all the luck
in the world in every thing
you do. Lorena, it sure has
been a pleasure to know
someone like you.

Lots of Love Always,
Betty Jo (Cut-up)
